See summary below for the list of schedules. Include Unsworn Declaration under Penalty of Perjury at the end.

GENERAL INSTRUCTIONS: Schedules D, E and F have been designed for the listing of each claim only once. Even when a claim is secured only in part, or entitled to priority only in part, it still should be listed only once. A claim which is secured in whole or in part should be listed on Schedule D only, and a claim which is entitled to priority in whole or in part should be listed in Schedule E only. Do not list the same claim twice. If a creditor has more than one claim, such as claims arising from separate transactions, each claim should be scheduled separately.

Review the specific instructions for each schedule before completing the schedule.

### SUMMARY OF SCHEDULES

Indicate as to each schedule whether that schedule is attached and state the number of pages in each. Report the totals from Schedules A, B, D, E, F, I and J in the boxes provided. Add the amounts from Schedules A and B to determine the total amount of the debtor's assets. Add the amounts from Schedules D, E, and F to determine the total amount of the debtor's liabilities.

# United States Bankruptcy Court notice to individual consumer debtor(s)

The purpose of this notice is to acquaint you with the four chapters of the federal Bankruptcy Code under which you may file a bankruptcy petition. The bankruptcy law is complicated and not easily described. Therefore, you should seek the advice of an attorney to learn of your rights and responsibilities under the law should you decide to file a petition with the court. Court employees are prohibited from giving you legal advice.

### Chapter 7: Liquidation (\$130.00 filing fee plus \$30.00 administrative fee plus \$15.00 trustee surcharge)

- 1. Chapter 7 is designed for debtors in financial difficulty who do not have the ability to pay their existing debts.
- 2. Under chapter 7 a trustee takes possession of all your property. You may claim certain of your property as exempt under governing law. The trustee then liquidates the property and uses the proceeds to pay your creditors according to priorities of the Bankruptcy Code.
- 3. The purpose of filing a chapter 7 case is to obtain a discharge of your existing debts. If, however, you are found to have committed certain kinds of improper conduct described in the Bankruptcy Code, your discharge may be denied by the court, and the purpose for which you filed the bankruptcy petition will be defeated.
- 4. Even if you receive a discharge, there are some debts that are not discharged under the law, Therefore, you may still be responsible for such debts as certain taxes and student loans, alimony and support payments, criminal restitution and debts for death or personal injury caused by driving while intoxicated from alcohol or drugs.
- 5. Under certain circumstances you may keep property that you have purchased subject to valid security interest. Your attorney can explain the options that are available to you.

# Chapter 13: Repayment of All or Part of the Debts of an Individual with Regular Income (\$130.00 filing fee plus \$30.00 administrative fee)

- 1. Chapter 13 is designed for individuals with regular income who are temporarily unable to pay their debts but would like to pay them in installments over a period of time. You are only eligible for chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.
- 2. Under chapter 13 you must file a plan with the court to repay your creditors all or part of the money that you owe them, using your future earnings. Usually, the period allowed by the court to repay your debts is three years, but no more than five years. Your plan must be approved by the court before it can take effect.
- 3. Under chapter 13, unlike chapter 7, you may keep all your property, both exempt and non-exempt, as long as you continue to make payments under the plan.
- 4. After completion of payments under your plan, your debts are discharged except alimony and support payments, student loans, certain debts including criminal fines and restitution and debts for death or personal injury caused by driving while intoxicated from alcohol or drugs, and long term secured obligations.

### Chapter 11: Reorganization (\$800.00 filing fee)

Chapter 11 is designed primarily for the reorganization of a business but is also available to consumer debtors. Its provisions are quite complicated, and any decision by an individual to file a chapter 11 petition should be reviewed with an attorney.

Chapter 12: Family farmer (\$200.00 filling fee)
Chapter 12 is designed to permit family farmers to repay their debts over a period of time from future earnings and is in many ways similar to chapter 13. The eligibility requirements are restrictive, limiting its use to those whose income arises primarily from a family owned farm.
